

GENERAL INFORMATION ON THE PAYMENT ACCOUNT WITH BASIC SERVICES

I FEATURES OF THE PAYMENT ACCOUNT WITH BASIC SERVICES

The Payment account with basic services is a bank account used for executing payment operations, available in LEI that enables the following:

- a) opening, maintaining and closing a payment account;
- b) fund deposits to a payment account;
- c) cash withdrawals, at any moment, on the European Union territory, from one payment account, over the counter or ATMs;
- d) the possibility to execute the following payment operations: **(i)** in Romania – direct debits; **(ii)** within the European Union – payment operations with a payment card, including online payments; **(iii)** within the European Union – credit transfers, including scheduled payment orders out of bank terminals, counters and the bank's online facilities, respectively.

The Payment account with basic services allows you to execute a limitless number of operations using the services mentioned above. With a Payment account with basic services you enjoy the possibility of managing and initiating payment operations through the Online Banking and Mobile Banking platforms, as well as at the Bank's counters. The access to a Payment account with basic services or its use is not limited by the purchase of any additional product or service, e.g. overdraft, credit card etc., nor is it conditioned by the latter.

II ACCESSING A PAYMENT ACCOUNT WITH BASIC SERVICES

The Payment account with basic services is a product designed exclusively for the use of an individual Customer who simultaneously meets the following conditions:

a) is a legal resident of the European Union/ has no fix address/ is an asylum applicant/ has no residence permit, but cannot be deported;

b) at the time of the Application, the Customer has no payment account opened at any credit institution in Romania, including a Payment account with basic services or owns a payment account, but has received notification of its closure.

With respect to the Financially **vulnerable customer**, i.e. the customer whose monthly gross income does not exceed 60 % of the gross average national wage, updated annually in accordance with the law, **or** whose income during the past 6 months is equivalent to no more than 60 % of the gross average national wage (*currently, the amount representing 60 % of the gross average national wage is 3.257 LEI; for example, if you have earnings from salaries, for a gross monthly income of 3.257 LEI there is a net income of 1.916 LEI*). The price conditions for the Payment account with basic services are different than the ones that apply to other customer categories, referred to under Chapter III of this document.

If you meet or not the aforementioned conditions remain to be established based on your sworn declaration enclosed in the application for the corresponding product, as well as based on the periodical reviews conducted by the Bank, under the law in force.

The Payment account with basic services may be requested by filling in an application form at any UniCredit Bank office, on the basis of a valid identification document. In case you own, at the time of the Application, a payment account opened at any credit institution in Romania, and you have received notification of its closure, when opening the new account, it is necessary for you to submit the notification informing you of the closure of your old account, issued by the credit institution at which that account was opened.

The Bank shall precede either with the acceptance or rejection of your application in term of no more than 10 business days from the moment a complete application is submitted. In case of rejection, the Bank shall immediately notify you of this in writing and free of charge.

The conditions of use are available at any UniCredit Bank office, as well as **here**.

III FEES CHARGED FOR A PAYMENT ACCOUNT WITH BASIC SERVICES

The fees for the Payment account with basic services and the transactions carried out by it are determined according to the **financial classification** of the Client, as follows:

a) The client is vulnerable – The Client whose gross monthly income does not exceed the equivalent of 60% of the gross average earnings per economy updated annually according to the law or the income from the last 6 months does not exceed the equivalent of 60% of the gross average earnings per economy (*currently, 60% of the gross average earning in the economy is 3,257 LEI*).

The Client who at any time exceeds the revenue mentioned above becomes a Client who is not vulnerable, being applicable the fees available for this category.

b) The client is not vulnerable – The Client whose gross monthly income exceeds the above mentioned amount.
